## League Questions and Answers

### Why Play Willow Brook?

- Fast play...under 1 ½ hours for nine holes!
- Great golf course
- Full practice facility
- Stocked PGA golf shop
- Relaxing café

### Looking to Join a League?

- Many days, formats, and times to choose from.
- All skill levels and abilities.

### How Do I Sign-Up?

Stop by or call the Golf Shop at 860.648.2061 or email [info@willowbrookgc.com](mailto:info@willowbrookgc.com).

### Can I Set Up My Own League?

Yes, a lot of companies offer golf leagues to their employees or you can start your own.

### What Does Running a League Entail?

Running your company golf league is easy. If you have 8 or more players you can sign-up your league at Willow Brook. All we ask is that you sign a League Agreement which reserves tee times for your league on the dates you want.

### What Else Do I Have To Do?

Usually the Chairman is the voice of the league and communicates with the Golf Staff to make sure your league is run just the way you want it. We offer a wide variety of amenities, a sample of which is listed here.

### How Do I Get Golfers To Play?

We can help by designing advertising and sign-up sheets to post in your place of employment. You can send out an open email to co-workers offering the opportunity to join your league. There are a number of ways to recruit and we can help.

### What Does It Cost?

Our greens fees are \$13.50 per player with an additional fee for golf cars should players want to ride. We ask that you pre-pay for the weeks that we reserve for you. However, we will issue rain checks if players can not make tee times or should the course be closed due to inclement weather. The Golf Shop also can offer prizes for your group each week.

**What Is Available To Your League?**

- USGA Handicaps for all golfers
- Professionally run tournaments
- Individual contest during play
- Prizes from a fully-stocked PGA golf shop
- Special Orders of any merchandise and golf equipment
- Instructional clinics with PGA and LPGA professionals
- Guest tournaments and special outings
- Café specialty menus for every taste
- We can do most anything to meet your needs?

**What Type of Events Can We Run?**

- Numerous weekly formats throughout the season
- Guest days, bring your friends from outside your group
- Nine & Dine, play golf followed by a special menu just for your league.
- Ryder Cup, different team and individual formats played over several days.

**Tell Me More About USGA Handicaps?**

The USGA GHIN Handicap system is the most widely used and recognized form of golfer handicapping used in the U.S. By having an official handicap you can widen your choice of playing formats and still give all players an equal chance to win prizes. Having a handicap benefits you outside of your league because you can use it to play at other clubs and in other events outside your league.
